

Littleton, B. H., May 10 1889

Mint of the U.S.

Do you receive for
comage in any quantity metals
anything like the following?

Photographer waste melted, a
piece which I had assayed
weighed 1 oz 14 dwt 19 grains.

Contained Fine gold 8 grains

" " Silver 21 dwts.

The gold sent you for
comage a few weeks ago
was very satisfactory.

An early reply will greatly
oblige.

Yours So
